## **Can you change the world?**

When I was young and free and my imagination had no limits, I dreamed of changing the world. As I grew older and wiser I realized the world would not change and I decided to shorten my sights somewhat and change only my country. But it too seemed immovable.

As I entered my twilight years, in one last desperate attempt, I sought to change only my family, those closest to me, but alas! They would have none of it.

And now here I lie on my death bed and realize (perhaps for the first time) that if only I'd changed myself first, then by example I may have bettered my country, and who knows I may have changed the world.
