Step 4

Main Examination

The Main Examination will be conducted on 10.06.23 and 11.06.23 (3 slots/per day).

The Instructions for the Main Examination will be available in the link on 9.06.2023.

<http://srmadmtest2023.srmist.edu.in/Instructions/UG.aspx>

Candidate will be watched remotely

Before the start of the Examination, the web cam will be activated automatically. If your camera is not working, you will not be able to start the examination.

The candidate will be asked to take a photo as appearing on the screen and also asked to take a photo of any clear photo ID card.

Though the exam is online and the candidate is taking the exam from their home, there will be an invigilator monitoring every action remotely along with the help of AI engine.

The candidate will be invigilated / proctored by a remote proctor who will be watching all through the examination.

During the course of exam, in case of any suspicion of malpractice by the candidate, the remote proctor has the facility to send message/s to warn the candidate/s. In extreme cases of repeated offences being committed by the candidate, the proctor has the right to pause/terminate the exam with further investigations.

Guidelines for Main Examination

- Candidate have to login to the exam using details in the admit card (Password).
- Main examination will be of 150 minutes. The candidate is expected to login at least 60 minutes before the exam to take photograph of self and ID proof and to read instructions.
- Candidate will not be allowed to end the exam whether the candidate completes the exam or quits the exam for the first 120 minutes from the scheduled start of the exam.
- Only one question appears on the screen and either the candidate answers the question or skips the same if he/she does not know the answer or does not want to answer. Once moved to the next question, the candidate cannot come back to the answered/skipped questions.
- On completion of exam, the candidates are required to follow the instructions provided to close the exam.
- **‘I want to submit the exam’** button appears only after 120 minutes is Elapsed.
- The quit password needs to be entered to EXIT THE EXAM (WHICH IS MANDATORY), which will be available in the Instruction Manual for taking the exam.
- Exam also closes automatically once the scheduled exam time of 150 minutes elapses.
